

Homographs

WORD CHOICE

Homographs are words that are spelled the same but have different meanings. They may or may not have the same pronunciation. For example, the word *ball* can be a round object used in games. But, a *ball* can also be a social event where people dance.

Directions: Read the sentences below. Choose the appropriate homograph from the word bank that will fill both blanks in each sentence. Write the homograph on the line before the sentence.
