### Word Test

#### A Hut for the Head

The word hat is (1) thought to have come from hut, or shelter. So, a hat shelters the head. You (2) pull a stocking cap over (3) your ears when (4) temperatures are low and (5) you're trying to keep warm. As (6) important as protection, a hat makes a statement about (7) who's wearing it. A queen's jeweled crown is (8) meant to (9) produce a (10) sense of beauty and power. (11) We'll know that a newly (12) born baby in a blue hat is a (13) son, while one in pink is a daughter. (14) There are hats are worn by (15) Certain people (16) whose jobs require uniforms, such as police officers. The top hat of the 1800s, (17) often called a stovepipe hat, divided workers from the rich men. (18) It's a fact that hat fashions over the years (19) always sent a message of status to separate the "classes." Now things are (20) different. The rigid (21) rules of hat fashions have (22) broken down. Few hats are worn, (23) except the baseball cap. The (24) opposite is true of this hat, because (25) its popularity is growing. How many (26) various kinds of hats can you name?
